

Overview of Charity Night Events

Charity Night Events are an excellent way to introduce Charity Members, Family and Friends to Charitable Gaming at the Cambridge Bingo Centre and at the same time earn money for the Charities.

When are the Charity Night Fundraising Events

Charity Night Fundraising Events are held at Evening Session (7pm) on the last Wednesday in the month of January, March, May, June, September and November.

How do Charity Nights Work

- The Cambridge Gaming Association Executive works along with the Cambridge Bingo and Gaming Centre to determine the date/dates of the Charity Night.
- Once the date/dates are known, an e-mail is sent out to the Bingo and Volunteer Coordinators of each organization that is a member of the Cambridge Gaming Association. The Bingo and Volunteer Coordinators are asked to inform their membership (volunteers, office staff, circulate in your newsletter) of the upcoming Charity Event. The respective memberships are then asked to invite their family and friends to the Charity Fundraising Event.
- **Charities will receive \$10.00 for each charity member/friend that has registered at the Charity Night Fundraising Event provided they have made a Minimum Purchase of \$21.00**
- The funds received by the Charity from the Association can be used for any purpose. These funds do not get deposited into the OLG Account.
- There will be \$2,850 in guaranteed prizes awarded at the Charity Night Fundraising Event
- There will be 5 - \$30.00 Gift Certificate Draws at the Charity Night Fundraising Event

What Happens at the Charity Night Fundraising Event?

- At the Charity Event, the charity members (family and friends) purchase product exactly like a Bingo Customer would at the Point of Sales counter.
- The Charity Member notifies staff at the time of purchase that they are there to support a particular Charity that participates in cGaming at the Cambridge Bingo and Gaming Centre. If the Charity Member purchases a minimum of \$21.00 in bingo product, staff will then record the purchase on a tally sheet. Staff then will mark the Sales Receipt to indicate that there purchase has been recorded.

When do the Charities receive their funds from the Charity Night Fundraising Event?

- Before the Charities receive their funds from the Charity Night Fundraising Event, the tally sheets are totaled. Cheques are then written to each charity that participated in the Charity Night Fundraising Event.
- Charities are then notified when their cheques are ready to be picked up.

January 2017

- Charities will then deposit their cheques into their General Operating Account. **These cheques do not get deposited into the OLG Account.**
