Participation Requirements Sign Off
Time Period: Jan 2019 – Dec 2019

Section B. 14 of the Revitalization of Charitable Bingo and Gaming Initiative – Policies and Standards for Charities (dated Apr 2018) Policy Manual outlines the Participation Requirements for Members of the Cambridge Gaming Association.

Policy

Charitable Organizations benefit directly from the growth in revenues and player base at the Charitable Gaming Centre. As partner, Charitable Organizations are required to promote the centre and participate in initiatives developed by the Association to the best of their ability. In order to foster growth and support the centre and the Association Charitable Organizations, some participation is required.

Standards

Charitable Organizations must, at minimum complete **any two** of the following participation requirements during a twelve-month period (Jan to Dec 2019) Failure to comply within prescribed timeframes will result in financial and escalation policies outlined in B.11 and C.11 of the Policies and Standards and may result in removal from membership.

Please indicate which two or more participation requirements were completed within the Time Period of Jan 2019 to December 2019 and submit to Paul by December 31, 2019
